PREP PROCEDURE

Date Issued: 09.30.2025

## PORTIONING PICKLES

Version: 01  
Issued by: HDR Operations

### PORTION MATRIX

Item
Pickles

### SMALLWARES/TOOLS

- Skimmer Service Tool
- 1/6 Pans with covers

### LABEL

Prep N Print

### PROCEDURES:

1. Use the skimmer service tool to add pickles to a metal 1/6 pan. (To transfer pickles to the station for set-up, they must be transferred in a metal 6th pan from the bulk container.)
2. Fill the rail pan.
3. Portion into soufflé cups (fill to line, or approximately 4-5 pickles), as indicated on schematics.
